

A Message from Our Founder

Making a Difference Everyday.

I believe every person has the ability to make a difference—and sometimes, all it takes is someone willing to believe in you, invest in you, and give you an opportunity to grow.

That belief is at the heart of **Universally Made (M.A.D.E.)**.

I founded M.A.D.E. with a simple but powerful purpose: to **empower, educate, and inspire people to become the best version of themselves while making a positive difference in the lives of others.**

Our work is rooted in service. Through mentoring, education, community outreach, veterans support, health awareness, emergency preparedness, and programs for our youth and families, we strive to meet people where they are and help them move forward.

Our motto, **“Aspiring through Inspiring,”** represents what we believe about community. When we inspire one person, that person can inspire another. When we educate a young person, we help shape a future. When we support a family, a veteran, or a neighbor in need, we strengthen the entire community.

Whether wearing the uniform or not—I have spent much of my life in service to others, and that experience has taught me something I will never forget: **we all have a responsibility to leave our communities better than we found them.**

That is what M.A.D.E. is about.

We invite you to join us—not simply as a donor or volunteer, but as someone who believes that positive change is possible and that each of us has a role to play. Donate www.made101.org

Together, we can keep **Making A Difference Everyday.**

With gratitude and purpose,
Ferrel “FC” Bonner
Founder, Universally Made
“ASPIRING through INSPIRING”
